

# CONNECT CREATE CONTEMPLATE

WITH STANLEY PICKER GALLERY  
AND DORICH HOUSE MUSEUM  
AT KINGSTON UNIVERSITY

**FREE ENTRY**

**Stanley Picker Gallery** sits on an island along the Hogsmill River and **Dorich House Museum** is found a deer's leap from Richmond Park.

Inspired by arts patron **Stanley Picker** (1913-1982) and artist **Dora Gordine** (1895-1991) and their two extraordinary Kingston homes, we support artists and designers to make innovative new work and offer creative activities for visitors of all ages and interests.

We are **FREE** to visit all year, with changing exhibitions, workshops, talks and events, so come along and enjoy our orchard garden and riverside terrace, take part in a community project, have fun getting creative with us and make new friends. **Find out more inside!**
